

November 2022 Manor at a Glance

Due to time constraints there will not be a November Manor Musings. We did want to keep you updated on a few items though.

Maintenance Reminder: Please do not open hallway and stairwell windows in cold weather. This will cause the heaters to run non-stop, straining the heat and making it hotter in the building.

For Your Information

Open Enrollment Time!

It's that time of year to review your Health Insurance Plans for changes and price increases. If you are satisfied with your current plan, you do not need to do anything. If you would like to switch plans or insurance carriers, then you need to do this during Open Enrollment, which runs from October 15th to December 7th. Please see further information regarding this under Educational & Wellness Programs →

As you look for your best health coverage options, don't forget to keep an eye open for fraudsters!

Open Enrollment can quickly become an "Open Season" for scammers. Watch out for people who:

- Claim they work with Medicare, are an "official Medicare agent" or "represent Medicare". There are no Medicare representatives and Medicare will never cold-call you.
- Say you must join a Medicare prescription plan (also known as Part D). It is voluntary to join a Medicare prescription drug plan.
- Ask for personal information, such as your Medicare number, Social Security number and/or bank information.
- Threaten or pressure you to enroll in their plan. You will not lose your benefits & have the entire Open Enrollment Period to make a decision.
- Offer you gifts to enroll in their plan - it's illegal.

CHANGES IN OFFICE HOURS:

I will not be in the office on the following days:

Friday, November 11th

Friday, November 25th (Office Closed)

Happy Thanksgiving to you all and your families!

Snow and Parking

Effective Nov. 1st – April 1st

It is the desire of the United Church Manor to remove snow as soon as it has accumulated in our parking lot during the winter season. The following policy

applies to parking during this period:

- ***No Overnight Parking*** in the area nearest the grass from Nov. 1st to April 1st. This area will be plowed first.
- Please remove cars for the center area before 9:00 AM. This area will be plowed second.
- Cars from the section nearest the building should be moved before 10:00 AM. This area will be plowed third.
- The “Manor” staff is not responsible for clearing the snow off your car or in moving it to another location.

This policy is an orderly way of addressing the parking needs during the winter season. It allows us to do our work without the worry of avoiding people moving about while the truck is in operation.

This policy also allows visitors to the “Manor” to have access to clear parking spaces during the normal hours of business operations.
